To Whom it may Concern:

As you may know, the Academy for Academic Excellence went through some severe budget cuts at the end of the 2016-17 school year. Although not publicized, our band program had cuts of \$5,200.00, which directly affected and continue to have an impact on supplies, transportation, and personnel at all off-site events (stipends.) Although all funding for outside event personnel was cut, we hope to continue without scaling back by accepting donations through The Marching Knights Band Boosters. Last school year, ALL of our financial needs were met through generous donations!

If you would be interested in donating towards maintaining and growing our band program, please contact me for more information and options. The boosters are specifically looking for \$2,000.00 in donations for this purpose.

Respectfully
Ken Sockwell
Band Director

Parade / Concert Absence Policy

AAE Marching Knights/Concert Band

Revised August 2012

Please Call In: Any absence from a band event where the director is not given prior notification is considered unexcused. In emergency situations, please leave a message at (760) 946-5414 ext 222 as soon as possible, but no later than the event start time. Do not call the instructor's cell phone!

Excused/Unexcused Absence: To receive partial credit for a performance absence, the student must do an alternative written research assignment meeting the following criteria:

1. Paper must be 8 pages (not including any title page or works cited page), typed, 12 point font, Ariel or Times, double spaced.
2. Paper MUST include a properly formatted "Works Cited" page. Please see your language art instructor for details.
3. At least 4 sources must be used and cited, one of them not online. You may under NO CIRCUMSTANCE use Wikipedia or any other online encyclopedia.
4. All assignments will be checked for plagiarism. Do not "cut and paste." Other than quotes, the paper must be in your own words. Any paper that contains plagiarism will receive no credit.

Papers will receive a percentage grade based on the above guidelines. The maximum grade given for an excused absence is 70%. For unexcused absence, the student may receive up to 50%.

Absence for Religious reasons: If a student/family consciously objects to an event on religious grounds, the student may make up the grade by doing the alternative assignment above. For full, 100% credit, the report must be turned in during the next class meeting following the missed event and meet ALL guidelines above. Note: This does not include optional or regularly occurring religious events that conflict with a band event.
