The Marching Knights Band Boosters is a non-profit organization whose goal is to promote and support the concert and marching band of the Academy for Academic Excellence. The Marching Knights Band is a premier performing group comprised of student musicians in 7th through 12th grade. They annually perform at venues such as the Los Angeles County Fair, 9/11 remembrance event, holiday parades, Knott's Berry Farm, Disneyland, San Bernardino County Celebration of the Performing Arts, and other local events.

The Marching Knights Band Booster Club is soliciting sponsorship from local merchants and individuals to help offset the budget cuts to the music program that took effect last school year. For a minimum \$100 donation, your company logo will be prominently displayed on the back of our official band T-shirt. These T-shirts are worn by supporters and booster parents at our performance events and at school on Fridays. Shirts are dark blue with white printing.

Please consider supporting our talented group of musicians.

Sincerely,

Julie Mangold
