

### **Information Letter #2 – September 22, 2009**

*Disclaimer: This information may change at any time. Students/parents will be notified with another letter which will be posted online at [aaeband.com](http://aaeband.com), and sent home.*

**Great news!** The band has passed their Disney World audition and will be performing at Epcot on April 14, 2010! This is a great honor since most groups perform at Downtown Disney and NOT in a theme park! FYI: We should know the results of our Disneyland audition when we return from fall break.

**Sponsorship Letter Online:** A sponsorship letter that can be customized and used to raise funds is located on the downloads page at [www.aaeband.com](http://www.aaeband.com). ALL band members are encouraged to use it.

**Parents going on the trip::** Please remember that ALL STUDENTS must participate as part of our group package. No exceptions! All students must stay at the same resort as the rest of the band. Anyone (parents, siblings) traveling as part of our group must also stay at the same resort, take the same flight, etc. You may opt to travel separately, however band members must travel together with our group. We should know exactly what resort we are staying in by November 10.
