

Information Letter #4 – October 22, 2009

Disclaimer: This information may change at any time. Students/parents will be notified with another letter which will be posted online at aaeband.com, and sent home.

Personal Fundraising: What you **Can and **Can NOT** do!**

You Can....

...use the sponsorship letter to raise funds for your trip. Money received by the school is treated as if you are making a payment yourself. Money received above and beyond \$800.00 will be used to buy meal tickets. No exceptions.

...raise funds on your own. PLEASE see below for restrictions!

You Can NOT....

... personally raise funds on campus

... use ANY school name as part of a personal or non-sanctioned fund raiser. This includes representing yourself as the AAE, our band, our boosters, The Lewis Center, or any organization that exists as part of our school or foundation. Funds raised in this manner will not be accepted.

... solicit donations from a company or any individual who will be using that donation as a tax write-off. Those funds must go to the Band, not an individual. The school will not provide tax information for this purpose.

There are legal issues regarding non-profit organizations and student-generated funds that determine what can and can't be done.

Important things to Remember...

\$300.00 Deposit Deadline is November 2, noon. FIRM!

The signed contract MUST accompany all payments. If you are being sponsored by someone else, don't forget the contract!!!

Family & Friends rooms are filling up, available on a first paid basis.
